What to Expect

FUN! You'll also find support and information. Meet other people dedicated to living successfully with stuttering.

The workshop formats include presentations, small discussion groups, panel presentation, and group activities. Children, teens, siblings, parents and speech-language pathologists attend sessions geared specifically toward their individual needs.

Children's programming is activity-based and focuses on feelings about, and strategies for, dealing with stuttering. This programming is facilitated by speech-language pathologists and members of the adult stuttering community.

If you stutter, you have FRIENDS.
