

The National Association of Young People Who Stutter

28TH ANNUAL CONVENTION

CHARLOTTE JULY 10-12, 2025

If you stutter, you have Friends

Our mission continues to be what it has always been —to provide support, education, and a sense of empowerment to young people who stutter, their families, and professionals.

We want our young people who stutter to know they are strong, they have support, they are not alone, & they have Friends.

If this is your first convention...

You may be unsure of what's ahead. What you can expect is to meet kids, parents, siblings, and SLPs all hoping for the same unforgettable experience. You can expect an amazing three days of laughter, education, tears, support, hugs, and FRIENDSHIP. When you leave on Sunday, we are positive you will tell your new Friends how happy you are that you decided to come to a Friends convention, followed by a 'See you next year!'
