

INTERACTIVE ONE-DAY EVENT

children's programs • group activities • small discussion groups • panel presentations

Saturday, October 25, 2025
9:00am - 4:00pm

University of Pittsburgh
Forbes Tower
3600 Meyran Ave
Pittsburgh, PA 15213

The Friends One-Day Event is a wonderful opportunity for families to come together and learn more about stuttering, supporting their child, and to begin building community.

Children's programming is activity-based and focuses on exploring attitudes and emotions, increasing understanding of stuttering, and instilling a greater sense of confidence — while making Friends!

SLPs and students will learn more about stuttering, current therapies, and the support available for those who stutter.
